MARATHON TS APPRAISED AT CMMI LEVEL 3 FOR SERVICES

Sterling, VA—Marathon TS Inc. (Marathon), a leader in cybersecurity solutions, engineering, information technology operations, and applications integration that specializes in serving federal government missions, announced today that it has been appraised at Level 3 of the CMMI Institute's Capability Maturity Model Integration (CMMI) for Services Version 2.0 by Command Tec, LLC.

This appraisal reflects a commitment to quality, continuous improvement, and dedication to customers. CMMI is a proven approach to performance management with decades of successful results. Obtaining CMMI Maturity Level 3 demonstrates that Marathon's execution of our corporate processes is based on standards, procedures, tools, and methods that are well-defined, understood, and operational.

CMMI is the result of more than 20 years of ongoing work at Carnegie Mellon University by members of industry, government, and the Software Engineering Institute. Powered by Carnegie Mellon, the CMMI Institute works to build upon CMMI's success, advance the state of the practice, accelerate the development and adoption of best practices, and provide solutions to the emerging needs of businesses around the world.

"We are extremely proud of achieving CMMI Level 3," said Mark Krial, President of Marathon. "Coupled with our ISO:9001 and ISO:27001 certifications, Marathon continues to emphasize quality and provide excellence in delivering solutions to our clients."

Marathon provides innovative enterprise-wide and targeted solutions for the complex challenges faced by our federal government clients and commercial-based firms. Our focus is on enabling our client's ability to deliver their emerging technologies with quality-driven results. We combine technical expertise, mission awareness, and an empowered workforce to produce meaningful results. Marathon is an established ISO 9001:2015, ISO/IEC 27001:2013, and CMMI for Services Level 3 business with operations across the US. For more information, visit the Marathon website at marathonts.com.
